Product Quality Certificate

Cell Preservation Medium

Report Number:EP202512005

Product Name	Cell Preservation Medium	**Filling Volume**	100ml/bottle
Lot Number	MED2511011	**Catalugue Number**	AS-36
Manufacture Date	2025.11.26	**Storage Condition**	2~8°C，Protect from light
Expiration Date	2026.11.25	**Inspection basis**	Detection Basis: Chinese Pharmacopoeia (ChP) & Enterprise Internal Control

Test Items:

Required Testing	**Specification**	**Results**
Appearance	Should be a colorless to pale yellow transparent liquid.	Compliance
Content	Should not be lower than the indicated yalue	Compliance
pH	6.8~7.3	7.1
Osmotic pressure	300~375 mOsm/kg (1:3 dilution)	349mOsm/kg
Endotoxin	＜1.0EU/ml	＜1.0EU/ml
Mycoplasma	Should be negative	Negative
Sterility	No growth	No growth
Conclusion	**This product was tested according to the ChP and Enterprise Internal Control standards, and the results are in compliance with the specifications.**
